BOXING GLOVES

Boxing Gloves Lace - up :

These gloves feature a traditional lace-up closure system that provides superior wrist support and a tighter, more secure fit. They are ideal for professional training, competition, and serious sparring. Lace-up gloves are preferred by professional fighters for their stability and injury prevention, although they usually require assistance to put on.

BOXING GLOVES

Boxing Gloves Velcro :

These gloves feature a Velcro strap closure system, allowing for easy and quick wear without assistance. They provide good wrist support and adjustable fit, making them ideal for training, bag work, fitness boxing, and sparring. Velcro gloves are popular among beginners and intermediate fighters due to their convenience and versatility.
